

Job Title: Mobile Maintenance - Tool Attendant

Requisition ID 6022 - Posted - 7000 New Gold - Rainy River - Rainy River Mine - Emo, Ontario

Make an impact at Canada's premier mining company.

When you advance your career at New Gold, you are joining a Canadian-focused intermediate gold mining company engaged in the operation, development and exploration of mineral properties. Our mission is to be a leading intermediate gold producer, driving responsible and profitable mining in a way that creates sustainable value for our employee, shareholders, the communities in which we live and work and our environment. New Gold would like to acknowledge the lands and resources of the Treaty 3 Territory and respect the traditional values of our First Nation partners. To learn more about New Gold, visit our website at www.newgold.com. To learn more about our culture and people practices, visit the Career page.

New Gold attracts and hires highly skilled individuals. By joining our team, you can look forward to:

- A stimulating values-based work environment
- A culture of collaboration and inclusion
- Inspiring colleagues and approachable leaders
- Career development opportunities
- A deeply rooted commitment to responsible mining, health and safety and community engagement
- A competitive total compensation program
- A comprehensive benefits package including a retirement savings plan

Rainy River Mine

Situated in beautiful northwestern Ontario, 65 km northwest of Fort Frances, the Rainy River Mine is an open pit, gold and silver producing, residential mine site.

The Rainy River Mine, located adjacent to the Ontario / Minnesota border is 65 Kilometers northwest of Fort Frances, Ontario and is situated half way between Winnipeg, Manitoba and Thunder Bay, Ontario. The area is home to more than 130 species of birds and large populations of moose, black bear and deer. If you enjoy outdoor activities including hunting, fishing, winter sports and lake country then this is an area you will love to live and work in.

Applicants who reside in Northwestern Ontario and have experience working in a cross-cultural environment, coupled with knowledge of the unique challenges and opportunities presented to those living in the Northwest Ontario, are assets. Hiring priority will be given to qualified applicants who are beneficiaries of the Impact Benefits Agreement (IBA) and to qualified applicants residing in the Northwest Ontario communities. (Indigenous) Members must clearly identify their status on the online job application and resume if they wish to receive priority consideration.

Schedule: Shift 7/7 Days – 12 hour days

The position will provide maintenance and inspection compliance for critical equipment to meet MOL requirements, provide the tracking and maintenance of tooling to have tooling ready and available for the Mobile team. The position will be a large contributor to improving Technician's tool time and reducing mean time to repair for the mine fleet.

Key Responsibilities

- Keep tools maintained and organized to Newgold and MOL standards.
- Create and maintain job specific job boxes.
- Work together with planning to build job specific kits and have them ready ahead for planned work.
- Keep log of where tooling is going and hold team members responsible for timely return.
- Stock and maintain Auto tool crib machines in all Mobile maintenance shops. (Weekly inspections)
- Monitor electronic tool crib sign in and out reports
- Maintain tool and wash trailers
- Maintain Mobile equipment Frost fighter and Allmand heaters, generators ETC
- Maintain slings, shackles and perform monthly inspection to OEM and MOL specifications
- Maintain and inspect lever hoists to OEM and MOL specifications.
- Manage and operate main tool crib and work area located in truck shop.
- Create requisitions and seek approval for new or replacement tools.
- Coordinate the tool repair process for tooling that need to be sent off site for calibration or repair
- Complete work shop inspections and maintenance to ensure a safe tidy work environment.
- Conduct rebuilds on small fleet components

Qualifications:

- Grade 12 Diploma
- Mechanical experience
- Valid G drivers license

We thank all applicants for their interest but will only contact candidates selected to advance in the hiring process. New Gold does not accept resumes from employment placement agencies, head-hunters or recruitment suppliers that are not in a formal contractual arrangement with the Company. Any resume or other information received from a supplier not approved by New Gold will be considered unsolicited and will not be considered.

Inclusion, Equal Opportunity, Accessibility

New Gold is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status or any other legally protected factors. Disability-related accommodations during the recruitment process are available upon request.
