- A culture of collaboration and inclusion
- Inspiring colleagues and approachable leaders
- Career development opportunities
- A deeply rooted commitment to responsible mining, health and safety and community engagement
- A competitive total compensation program
- A comprehensive benefits package including a retirement savings plan

## **About Coeur Mining:**

Coeur Mining is a growing, all-North American precious metals producer with seven operations: the Las Chispas silver-gold mine and Palmarejo gold-silver complex in Mexico, the Rochester silver-gold mine in Nevada, the Kensington gold mine in Alaska, the Wharf gold mine in South Dakota, the Rainy River gold mine in Ontario, Canada, and the New Afton copper-gold mine in British Columbia, Canada. In addition, Coeur owns the Silvertip silver-zinc-lead exploration project in British Columbia.

Coeur offers a flexible, hybrid work model and a culture built on safety, collaboration, and real opportunities to develop your career for those who want to grow alongside a company that is doing the same.

## **Rainy River**

Situated in beautiful northwestern Ontario, 65 km northwest of Fort Frances, the Rainy River mine is an open pit and underground, gold and silver producing, residential mine site.

The Rainy River mine, located adjacent to the Ontario/Minnesota border is 65 kilometers northwest of Fort Frances, Ontario and is situated half way between Winnipeg, Manitoba and Thunder Bay, Ontario. The area is home to more than 130 species of birds and large populations of moose, black bear and deer. If you enjoy outdoor activities including hunting, fishing, winter sports and lake country then this is an area you will love to live and work in.

Applicants who reside in Northwestern Ontario and have experience working in a cross-cultural environment, coupled with knowledge of the unique challenges and opportunities presented to those living in the Northwest Ontario, are assets. Hiring priority will be given to qualified applicants who are beneficiaries of the Impact Benefits Agreement (IBA) and to qualified applicants residing in the Northwest Ontario communities. (Indigenous) Members must clearly identify their status on the online job application and resume if they wish to receive priority consideration.

## **About the Role**

**Schedule:** 14 days on / 14 days off rotation

Hours: 12-hour shifts (6:00 a.m. – 6:00 p.m.)

**Reports To:** Senior Underground Mining Engineer

## **Position Overview:**

Reporting directly to the Senior Mine Engineer – Planning, key objectives of this position is to mentor the mine planners, ensure the short-term design requirements are met, complete the 3 month forecast and facilitate underground mine projects execution.

## Key Responsibilities

- Help create and instill a culture of safety as a mentor and trainer of the Mine Planning team.
- Manage the short term Deswik schedule (0-3mo)
- Manage underground project alignment and execution
- Coordinate the workflow between the Operations Planning and Mine Planning teams.
- Provide input, guidance and review on all stoping and development designs.
- Assist with longhole drill and blast design, development design, and mine plan sequencing and scheduling as required.
- Review and seek to optimize existing mine sequences to unlock efficiencies through innovative and creative thinking.
- Conversion of LT/MT linework into executable short-term linework.
- Report monthly and quarterly KPI's as required.
- Assist the Longterm planning team with completion of reserve & resource generation, as required.
- Under the guidance of Senior Engineers, review and update standards and best demonstrated practices in the Engineering department.

## Qualifications

- B.Sc. degree or Mining Technology diploma in Mining Engineering or suitable technical skills.
- Minimum 3-5 years of experience in an underground mine.
- Project coordination and project costing experience would be an asset.
- Demonstrated ability to develop practical, safe and cost-effective solutions.
- Proficiency with mine planning computer software (**Deswik IS, Deswik CAD**, EPS, Mine 2-4D, Vulcan, Microsoft Office).
- Excellent communication skills (oral, written, listening).
- Strong facilitation and presentation skills.
- Ability to positively interact with co-workers and team members.
- Ability to work with a diverse mix of cultures.
- Demonstrated ability to mentor and support junior EITs
- Valid driver's license and ability to work in a remote camp environment.

## Working Conditions

- 90% office / 10% underground work environment.

## Compensation

The anticipated salary range for this position will be between \$120,000 to \$125,000.

***\*Note: this employment opportunity is based on an actual current vacancy, not just for future consideration***

## Why Coeur?

- Highly competitive base salary and quarterly incentive program.
- Extended Health & Dental benefits with short- and long-term disability coverage.
- Company-matched RRSP contributions.
- Opportunity to grow your career in a supportive environment with exposure to multiple aspects of underground mining.
- Flights & Camp Provided

We thank all applicants for their interest but will only contact candidates selected to advance in the hiring process. Coeur Mining does not accept resumes from employment placement agencies, head-hunters or recruitment suppliers that are not in a formal contractual arrangement with the Company. Any resume or other information received from a supplier not approved by Coeur Mining will be considered unsolicited and will not be considered.

## Inclusion, Equal Opportunity, Accessibility

Coeur Mining is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status or any other legally protected factors. Disability-related accommodations during the recruitment process are available upon request.
